

Andra Neil

Andra graduated from the Alberta College of Art in the mid 1990's. After graduating she moved to Vancouver and participated in local art shows as well as shows in Toronto and Seattle. She works in set decorating in film and makes her stuffies as well as other art.

Andra has been making a host of slightly offbeat stuffed animals as a slight comfort in a hard world. These animals are always evolving and no two are exactly the same. Most resemble some form of a cat, dog, bear, elephant or other creature. They can be found locally at Dear (2212 Granville Street) and Barefoot Contessa (3715 Main Street). Andra can be reached at 604-619-7386 or pintopony@telus.net.
